

Land Recording Office *South Africa*

<https://lro-sa.co.za/>

*The land recording office is designed to record, publish and store your documents in the principles of **Land and Soil Jurisdiction.***

We empower you to assert and uphold your rights and responsibilities regarding land ownership and usage.

Our primary mission is to ensure that your documents are meticulously recorded and readily available, fostering a sense of transparency and trust in all land-related transactions.

- Full instructions and templates for both 528 and 928 documentation are available on the Assembly website, free of charge.
- We have a state of the art **document generator** on our LRO website to generate these documents for you... Simply follow the simple steps, upload a picture as described... You will need the names and email addresses for 4 different witnesses who have known you for a few years.
- A full set of documents will then be emailed to you, ready for completion. ***Please make sure you follow the step by step guide on the Assembly website.***
- We offer assistance in completing these forms should you need it, for a nominal fee. (e-mail: doc@lro-sa.co.za)
